Summit 2022

Communicating Christ / Changing Lives

We praise God for the privilege to have camp this week! We have been praying that God would do amazing things in your life! We pray you will examine your heart to see what you are cultivating!

“For what a man sows that will he reap.”

What kind of seed are you? We are praying the Lord will remove any “weeds” in your life so that you can grow effectively for Him. We are praying that if you do not know Him, you will put your faith in Him by the end of this week. Jesus is a good Farmer and He wants you to be a part of His garden.

Please look for Him everyday and know that He is seeking after you!

Our staff is here for you and are praying for you.

Have a blessed week

Summit Directors

Do not be deceived: God is not mocked, for whatever one sows, that will he also reap. For the one who sows to his own flesh will from the flesh reap corruption, but the one who sows to the Spirit will from the Spirit reap eternal life. And let us not grow weary of doing good, for in due season we will reap, if we do not give up.

~ Galatians 6:7-9

What is S.O.A.P.?

S.O.A.P. stands for Scripture, Observation, Application and Prayer. It is a way of getting more out of your time in God’s word.

How does it work?

Scripture

Open your Bible to your reading for the day. Take time reading and allow God to speak to you. When you are done, look for a verse that particularly spoke to you that day, and write it in your journal.

Observation

What do you think God is saying to you in this scripture? Ask the Holy Spirit to teach you and reveal Jesus to you.

Application

Personalize what you have read, by asking yourself how it applies to your life right now. Perhaps it is instruction, encouragement, a new promise, or corrections for a particular area of your life. Write how this scripture can apply to you today.

Prayer

This can be as simple as asking God to help you use this scripture, or even a prayer for a greater insight on what He may be revealing to you. Remember, prayer is a two-way conversation, so be sure to listen to what God has to say! Now, write it out.

That’s all there is to it!!!

We will walk you through how to S.O.A.P. Journal this week. We hope that once this week is finished that you will be able to continue S.O.A.P. Journaling at home.
