

ALL ABOUT Children's TRACT TIMES

Tract Times have become an important part of Summit Camps. Tract Times are designed to help children develop spiritually by a “hands on approach” and practical tools that can be used every day to reach others for Jesus. This year Tract Times will be on Wednesday and Thursday for one hour each day. You will have one group of Children on Wednesday and a different set of Children on Thursday, so you will do the same lesson again. Tract Times can be led by Children's ministers, pastors, or adult sponsors. If you have abilities and talents in a particular area, **WE NEED YOU!!!** We need one Tract Time leader for every 15-20 children that you bring to camp. This will help us to keep each class to a manageable size. Ask your adults now what special talents and passions they have and what class they would like to teach. Check out the list below to see some of the Tract Times that have been taught before. You can certainly choose one of these or add one of your own to the list. If you are teaching a Tract Time that is more active oriented, we do ask that you spend at least 20 minutes in a devotional time with the children. We want each child to go away with thoughts of Christ no matter what the Tract Time they decide to pick. Please do your best to be creative and to provide spiritual application.

How Do I Sign Up?

To sign up – just go to our **NEW** web site at www.summitcampsok.com. Click on Tract Time and decide which Tract Time you want to lead. Look at the list of those that have already been signed up to make sure that you are not duplicating one being taught already, and fill out the Leader Form.

If you have questions, please let us know how we can help at 405-330-1700. We appreciate all your help to make camp great for all the students.
